DIARY NOTES

25X1A

ADD/A (Colonel White [REDACTED])

7 May 1952

25X1A

1. Recommended that Mr. Wolf approve of the expenditure of \$14,500 for a commissary and warehouse on [REDACTED]

2. Talked to [REDACTED] and advised him of reasons why he was returning to the service. He understands thoroughly and I have arranged with the Military Personnel Division to effect his transfer tomorrow.

3. I talked to Colonel Baird and [REDACTED] again about the maritime project. Colonel Baird now believes that they have it on the rails and said that a new and more proper paper was being prepared.

4. Met with Mr. Wolf and Mr. Garrison with reference to contract settlements at which time Mr. Wolf advised Mr. Garrison that he wanted to be cut in on such negotiations and settlements prior to final decisions being rendered to the contracting companies.

5. Mr. Wolf and I agreed that if Jim Garrison could get [REDACTED] and [REDACTED] to concur in his new supply manual we would issue it without further coordination and with full recognition that it will require some adjustment at a later date. The urgency of getting something official published would seem to dictate getting it out without trying to get the concurrences of everybody in the Agency.
